<p>Restructure GB Committees</p> <p>TOR agreed</p>	<p>Achieved (begun October 2015) and impact statements to follow</p>	

Designated governor to committee according to skills audit		
Skills audit completed	Enabled us to restructure committees	Review skills audit annually in order to produce a governing training action plan
Decide On Strategic Direction For The Oval		
Research, plan, decide, consult re academisation	Decision taken to join MAT with DRB	To develop this work as a family of schools to ensure The Oval stays GOOD and becomes better (following vision statement) every year
What Training Has Taken Place		
Presentations from staff to GB on: - growth mindsets - maths development - staff communication survey	GB involved and informed of work within school	Governors to complete some monitoring in areas where they have received training
Strategic Management		
Headteacher's appraisal	Headteacher held to account	Annual appraisal
Link visits (Imran)	Governors (safeguarding) fulfilling statutory duties	Annual appraisal
Data analysis termly by school improvement committee	Governors aware of school progress and achievements set against national expectations	Annual appraisal
Policies reviewed on annual cycle	Governors set strategic direction	Implement across whole staff
School trips full cost analysis	School under budget by £30k	Trips will need to be cancelled going forward if funds not collected
Full school BCC audit	Areas for development outlined	A plan to be drawn up and submitted to BCC
Pupil premium Sports premium Spend analysis – reported to GB	Governors assured funds correctly allocated and are making a difference	Link governor to be allocated to this going forward
